AUGUST 2020

A LETTER FROM THE PRINCIPAL

Covid-19

Dear Romero Academy at Resurrection Families,

Since my last letter to you on July 1st, the Cincinnati Public School board voted to start their school year on August 24th, 2020 with distance learning until at least September 28th, 2020.

This decision does not affect Romero Academy at Resurrection – we still intend to start in-person instruction five days a week beginning August 19th. Our top priority is the healthy, safety, and well-being of our students, staff, and families. We've made this decision in consultation with health experts and as a response to the needs of our families.

We are in a unique position to start in-person because we are enrolling a maximum of 125 students in a building designed to hold 260. This is less than half of our building capacity. In addition, we are only serving grades PK-5 in a building designed for K-8. As a result, we are able to spread students out across the building to ensure 6-foot physical distancing in classrooms.

The combination of our available space with 11 additional safety protocols (outlined below) allows us to create an environment that prioritizes the health and safety of our students, families, and staff in accordance with the guidance offered by the CDC and state officials.

We will continue to offer in-person instruction as long as we can follow established safety guidelines. Should circumstances change and we are required to return to remote learning, we are prepared to support families with: a device for every student, daily contact from teachers, top-rated digital curriculum, ongoing faith formation and character education, and access to subsidized internet for those who need it. Rest assured knowing we are regularly monitoring the situation and will communicate with you clearly and frequently.

In addition to all of our logistical preparation, please know that we are praying for you. We ask for the intercession of our patron, St. Oscar Romero, who lived his life embracing challenges while remaining full of hope. We, too, are emboldened by this same spirit to face each changing day with the strength to serve you.

In Christ,

Tom Loughead, Principal
