## IMPORTANT NOTES

How do I help my child do their very best on the state tests?

Please make sure your child:

- (1) Gets a good night's sleep the night before the test
- (2) Eats a healthy breakfast before testing
- (3) Has the positive attitude and tools (if they have glasses, pack them!) necessary to be successful
- (4) arrives to school on time

Please also consider writing a short note to your child so that they have special words of encouragement to read before the test begins. A small message of encouragement can go a long way in promoting effort and engagement!

Reminder: Parents/guardians are expected to ensure that their children are in school. Please do not allow your child to miss a day of school except in the case of illness, emergency, or a death in the family.

Excessive absences will be considered a violation of the parent/guardian/family-school expectations and of the statewide attendance policy. Excessive absences may impact EdChoice scholarship eligibility. Students who miss an excessive number of days may also be in jeopardy of retention.
